Dear Madam:

**RE: Election**

We noticed that there was a letter filed with you sent out to the members of the local Law Association recommending a local Bencher who is up for election and one from outside the area.

We did not know that you were providing this service, but since you have done it for one we presume you will do it for others.

We are recommending Frederick Bickford; he is a local Bencher and we have known him for a long time. We think he is a man of outstanding character, experience, and knowledge.

We also want to recommend Julian N. Falconer, who we have known for a while, and we think he would be an excellent Bencher. He is also an incumbent Bencher.

We strongly recommend these two individuals to you for your consideration.

Sincerely yours,

**STEAD LAW GROUP**
